

# Bible Conference

in

Buffalo, NY

Fall, 2008

**That Christ should suffer,  
and that he should be the first that should rise from the dead,  
and should shew light unto the people, and to the Gentiles.**

*Acts 26:23*

With thanksgiving to our praiseworthy Lord, the fellowship in Western New York is privileged to announce the fifth Bible Conference to be held in Buffalo, New York. The conference is scheduled to take place from **September 26th through September 29<sup>th</sup>, 2008**, at the home of Mr. and Mrs. John Priebe. *Unlike the format of previous conferences, the first session is scheduled to begin in the morning of Friday, the 26th.*

The fellowship in Western New York consists of believers who look to the Bible as the authoritative written word of God. The fellowship came together 6 years ago when the call to depart out of all churches became apparent to several of the brethren. Those gathering on a regular basis here believe their chief mission to be the declaring and sharing the gospel of the Lord Jesus Christ, which includes the fact that the church age has ended and that we are in the time of the great tribulation. There are several such gatherings around the world, the purpose of which is for believers to worship the Lord and study the Bible together in person and via the internet (for more information visit [www.Goodmessage.org](http://www.Goodmessage.org)).

It is our hope that this conference will afford those who may not have a regular opportunity to fellowship with other like-minded believers the joy of doing so. For those who already have the privilege of having other such brethren in their area, perhaps this could be a time of making new friends. Either way, our Lord willing, may this be a time during which a fundamental desire of the child of God - that of better understanding his Master's will - can be fulfilled in some way. If you are not able to attend the conference, the conference will, as the Lord allows, be broadcast live on the Bible Internet Radio Room (visit [www.ZinYi.com](http://www.ZinYi.com), then "Click to Listen").

There is no fee for the conference. Further, all meals during the 3 days of the conference will be provided, Lord willing. Finally, the hosts would appreciate your informing them of your desire to attend the conference as you are able. However, please know that any and all desiring to come is welcome at anytime.

A "**Conference Packet**" has been prepared for your use. If you would like much more detailed information regarding the conference (location, travel, lodging, etc.), please send an e-mail requesting the packet here:
